

MIKE STIVALA EDITOR

917.562.5016 • mstiv@mac.com • mikestivala-editor.com

Hello! I'm a skilled storyteller and creative problem solver with a passion for the craft of editing. I have over 15 years of experience editing long and short-form projects for major networks and streaming services, and bringing each project from raw dailies to locked cut on time and with as little drama as possible.
